7. Contributions to committee. The names and mailing addresses of contributors who donate in excess of \$50 each year to the committee with amount or value of each contribution at the time of registration. Any person who makes contributions on an installment basis, the total of which exceeds \$50 in the calendar year, is considered a contributor to be identified under this subsection.

Every change in information required by this section must be included in an amended registration form submitted to the Commission within 10 days of the date of the change. The committee must file an updated registration form every 2 years between January 1st and March 1st of an election year.

21A § 1054. Appointment of treasurer

Any political action committee required to register under section 1053 must appoint a treasurer before making any expenditure, as defined in this chapter. The treasurer shall retain, for a minimum of 4 years, all receipts, including cancelled checks, of expenditures made in support of or in opposition to a campaign, political committee, political action committee, referendum or initiated petition in this State.

21A § 1055. Publication or distribution of statements

When a political action committee makes an expenditure to finance a communication expressly advocating the election or defeat of a candidate through broadcasting stations, newspapers, magazines, outdoor advertising facilities, direct mails and other similar types of general public political advertising and through flyers, handbills, bumper stickers and other nonperiodical publications, the communication must clearly and conspicuously state the name and address of the political action committee that authorized, made or financed the expenditure for the communication and that the communication has been authorized by the political action committee.

A person operating a broadcasting station within this State may not broadcast any such communication without an oral or visual announcement of the name and address of the political action committee that made or financed the expenditure for the communication.

A newspaper may not publish a communication described in this section without including the disclosure required by this section. For purposes of this paragraph, "newspaper" includes any printed material intended for general circulation or to be read by the general public. When necessary, a newspaper may seek the advice of the Commission regarding whether or not the communication requires the disclosure.

An expenditure, communication or broadcast that results in a violation of this section may result in a civil penalty of no more than \$200. Enforcement and collection procedures must be in accordance with section 1062-A.

21A § 1056. Expenditure limitations

Any committee required to register under this chapter shall comply with the following expenditure limitations.

1. Aggregate expenditures. A committee may not make contributions in support of the candidacy of one person aggregating more than \$500 in any election for a gubernatorial candidate, or \$250 in any election for any other candidate.

2. Prohibited expenditures. No committee may make any expenditure for liquor to be distributed to or consumed by voters while the polls are open on election day.

21A § 1056-A. Expenditures by political action committees

A political action committee shall report all expenditures in cash or in kind made by the committee.

21A § 1056-B. Reports of contributions and expenditures by persons

Any person not defined as a political committee who solicits and receives contributions or makes expenditures, other than by contribution to a political action committee, aggregating in excess of \$1,500 for the purpose of initiating, promoting, defeating or influencing in any way a ballot question must file a report with the

Commission. In the case of a municipal election, a copy of the same information must be filed with the clerk of that municipality.

1. Filing requirements. A report required by this section must be filed with the Commission according to a reporting schedule that the Commission shall establish that takes into consideration existing campaign finance reporting schedule requirements in section 1059.

2. Content. A report must contain an itemized account of each contribution received and expenditure made aggregating in excess of \$100 in any election; the date of each contribution; the date and purpose of each expenditure; and the name of each contributor, payee or creditor. Total contributions or expenditures of less than \$500 in any election need not be itemized. The report must state whether the purpose for receiving contributions and making expenditures is in support of or in opposition to the ballot question.

3. Forms. A report required by this section must be on a form prescribed and prepared by the Commission. A person filing this report may use additional pages if necessary, but the pages must be the same size as the pages of the form.

21A § 1057. Records

Any political action committee that makes expenditures which aggregate in excess of \$50 to any one or more candidates, committees or campaigns in this State shall keep records as provided in this section. Records required to be kept under subsections 1, 2 and 3 shall be retained by the political action committee until 10 days after the next election following the election to which the records pertain.

1. Details of records. The treasurer of a political action committee must record a detailed account of:

- A. All expenditures made to or in behalf of a candidate, campaign or committee;
- B. The identity and address of each candidate, campaign or committee;
- C. The office sought by a candidate and the district he seeks to represent, for candidates which a political action committee has made an expenditure to or in behalf of; and

2. Receipts. The treasurer of a political action committee must retain all receipts of expenditures made for a candidate, committee or campaign in this State. Receipts may be in the form of cancelled checks.

3. Record of contributions. The treasurer of a political action committee must keep a record of all contributions to the committee, by name and mailing address, of each donor and the amount and date of the contribution. This provision does not apply to contributions which do not exceed \$50 each for a general election, primary election and referendum campaign. When any donor's contributions to a political action committee

exceed \$50, the record must include the aggregate amount of all contributions from that donor.

21A § 1058. Reports; qualifications for filing

A political action committee that is registered with the Commission or that accepts contributions or incurs obligations in an aggregate amount in excess of \$50 on any one or more campaigns for the office of Governor, for state or county office or for the support or defeat of a referendum or initiated petition shall file a report on its activities in that campaign with the Commission on forms as prescribed by the Commission. A political action committee organized in this State required under this section to file a report shall file the report for each filing period under section 1059. A political action committee organized outside this State shall file with the Commission on Governmental Ethics and Election Practices of this State a copy of the report that the political action committee is required to file in the state in which the political action committee is organized. The political action committee shall file the copy only if it has expended funds or received contributions or made expenditures in this State. The copy of the report must be filed in accordance with the schedule of filing in the state where it is organized. If contributions or expenditures are made relating to a municipal office or referendum, the report must be filed with the clerk in the subject municipality.

21A § 1059. Report; filing requirements

Committees required to register under section 1053 shall file reports in compliance with this section. All reports must be filed no later than 5 p.m. on the filing deadline.

E. A committee shall report any expenditure of \$500 or more, made after the 12th day before the election and more than 24 hours before 5 p.m. on the day of the election, within 24 hours of that expenditure.

4. Special election reports. (REPEALED)

5. Electronic filing. Beginning January 1, 2006, committees shall file each report required by this section through an electronic filing system developed by the Commission. The Commission may make an exception to this electronic filing requirement if a committee submits a written request that states that the committee lacks access to the technology or the technological ability to file reports electronically. The request for an exception must be submitted no later than March 1, 2006 or within 30 days of the registration of the committee, whichever is later. The Commission shall grant all reasonable requests for exceptions.

21A § 1060. Content of reports

The reports must contain the following information and any additional information required by the Commission to monitor the activities of political action committees:

1. Identification of candidates. The names and mailing addresses of any candidate whom the committee supports, intends to support or seeks to defeat. The report must indicate the office that the candidate is seeking, the political party represented by the candidate, if any, the date of the contest and whether the contest is an election or a primary;

2. Identification of committees; parties. The names and mailing addresses of any political committee or political party supported in any way by the registrant;

3. Identification of referendum or initiated petition. The referendum or initiated petition which the committee supports or opposes and the names and mailing addresses of the organizations to which expenditures were made;

An itemization of each expenditure made to support or oppose any candidate, campaign, political committee, political action committee, political party, referendum or initiated petition, including the date, payee and purpose of the expenditure and the address of the payee. If expenditures were made to a person described in section 1012, subsection 3, paragraph A, subparagraph (4), the report must contain the name of the person; the amount spent by that person on behalf of the candidate, campaign, political committee, political action committee, political party, referendum or initiated petition, including, but not limited to, expenditures made during the signature-gathering phase; the reason for the expenditure; and the date of the expenditure. The Commission may specify the categories of expenditures that are to be reported to enable the Commission to closely monitor the activities of political action committees;

5. Aggregate expenditures. An aggregation of expenditures and cumulative aggregation of expenditures to a candidate, campaign, political committee, political action committee, referendum or initiated petition;

6. Identification of contributions. Names, occupations, places of business and mailing addresses of contributors who have given more than \$50 to the political committee after the committee has registered under section 1053, the amount contributed by each donor and the date of the contribution. The information already reported as required by section 1053, subsection 7 should not be duplicated; and

7. Other expenditures. Operational expenses and other expenditures in cash or in kind that are not made on behalf of a candidate, committee or campaign.

21A § 1061. Dissolution of committees

Whenever any political action committee disbands or determines that obligations will no longer be incurred and no expenditures will be made to any candidate, political committee or political party, or to initiate, support, defeat or influence in any way the outcome of a referendum, initiated petition, election or primary, and the committee has no outstanding obligations, the committee shall file a termination report with the Commission on Governmental Ethics and Election Practices. If a termination report is not filed, the committee shall continue to file periodic reports as required in this chapter.

21A § 1062. Failure to file on time (REPEALED)

21A § 1062-A. Failure to file on time

1. Registration. A political action committee required to register under section 1053 that fails to do so in accordance with section 1053 or that fails to provide the information required by the Commission for registration may be assessed a forfeiture of \$250.

2. Campaign finance reports. A campaign finance report is not timely filed unless a properly signed copy of the report, substantially conforming to the disclosure requirements of this subchapter, is received by the Commission before 5 p.m. on the date it is due. Except as provided in subsection 6, the Commission shall determine whether a required report satisfies the requirements for timely filing. The Commission may waive a penalty if it is disproportionate to the level of experience of the person filing the report or to the harm suffered by the public from the late disclosure. The Commission may waive the penalty in whole or in part if the Commission determines the failure to file a timely report was due to mitigating circumstances. For purposes of this section, "mitigating circumstances" means:

- A. A valid emergency of the committee treasurer determined by the Commission, in the interest of the sound administration of justice, to warrant the waiver of the penalty in whole or in part;
- B. An error by the Commission staff; or
- C. Other circumstances determined by the Commission that warrant mitigation of the penalty, based upon relevant evidence presented that a bona fide effort was made to file the report in accordance with the statutory requirements, including, but not limited to, unexplained delays in postal service.

3. Basis for penalties. The penalty for late filing of a report required under this subchapter is a percentage of the total contributions or expenditures for the filing period, whichever is greater, multiplied by the number of calendar days late, as follows:

- A. For the first violation, 1%;
- B. For the 2nd violation, 3%; and
- C. For the 3rd and subsequent violations, 5%.

Any penalty of less than \$5 is waived.

Violations accumulate on reports with filing deadlines in a 2-year period that begins on January 1st of each even-numbered calendar year. Waiver of a penalty does not nullify the finding of a violation.

A report required to be filed under this subchapter that is sent by certified or registered United States mail and postmarked at least 2 days before the deadline is not subject to penalty.

A required report may be provisionally filed by transmission of a facsimile copy of the duly executed report to the Commission, as long as an original of the same report is received by the Commission within 5 calendar days thereafter.

4. Maximum penalties. The maximum penalties under this subchapter are \$10,000 for reports required under section 1059, subsection 2, paragraphs B, C and E and \$5,000 for reports required under section 1059, subsection 2, paragraph A.

5. Request for a commission determination. Within 3 days following the filing deadline, a notice must be forwarded to the principal officer and treasurer of the political action committee whose report is not received by 5 p.m. on the deadline date, informing them of the basis for calculating penalties under subsection 3 and providing them with an opportunity to request a commission determination. The notice must be sent by certified United States mail. A request for determination must be made within 10 calendar days of receipt of the Commission's notice. The 10-day period during which a determination may be requested begins on the day a recipient signs for the certified mail notice of the proposed penalty. If the certified letter is refused or left unclaimed at the post office, the 10-day period begins on the day the post office indicates it has given first notice of a certified letter. A principal officer or treasurer requesting a determination may either appear in person or designate a representative to appear on the principal officer's or treasurer's behalf or submit a notarized written explanation of the mitigating circumstances for consideration by the Commission.

6. Final notice of penalty. After a commission meeting, notice of the final determination of the Commission and the penalty, if any, imposed pursuant to this subchapter must be sent to the principal officer and the treasurer of the political action committee.

If no determination is requested, the Commission staff shall calculate the penalty based on the provision of subsection 3 and shall mail final notice of the penalty to the principal officer and to the treasurer of the political action committee. A detailed summary of all notices must be provided to the Commission.

7. List of late-filing committees. The Commission shall prepare a list of the names of political action committees that are late in filing a report required under section 1059, subsection 2, paragraph B, subparagraph (1), section 1059, subsection 2, paragraph C or D or section 1059, subsection 3-A, paragraph B or C within 30 days of the date of the election and shall make that list available for public inspection.

8. Failure to file. A person who fails to file a report as required by this subchapter within 30 days of the filing deadline is guilty of a Class E crime, except that, if a penalty pursuant to subsection 8-A is assessed and collected by the Commission, the State may not prosecute a violation under this subsection.

8-A. Penalties for failure to file report. The maximum penalty for failure to file a report required under section 1059, subsection 2, paragraph B, C or E is \$10,000. The maximum penalty for failure to file a report required under section 1059, subsection 2, paragraph A is \$5,000.

9. Enforcement. The Commission staff has the responsibility for collecting the full amount of any penalty and has all necessary powers to carry out this responsibility. Failure to pay the full amount of any penalty levied under this subchapter is a civil violation by the political action committee and its treasurer. Thirty days after issuing the notice of penalty, the Commission shall report to the Attorney General the name of any political action committee, along with the name of its treasurer, that has failed to pay the full amount of any penalty. The Attorney General shall enforce the violation in a civil action to collect the full outstanding amount of the penalty. This action must be brought in the Superior Court for Kennebec County or the District Court, 7th District, Division of Southern Kennebec.

21A § 1063. Constitutional officers and State Auditor

The Secretary of State, the Treasurer of State, the Attorney General, the State Auditor, or any individual running for these offices, may not form a political action committee or be involved in decision making for or solicit contributions to a political action committee.
